

Health and Wellbeing Workshop

Personalised Care and Support

The Personalised Care and Support programme aims to improve care and support for people living with a diagnosis of cancer.

We would like to learn from your experiences to ensure we are providing the right level of information at the right time. This is an exciting opportunity to get involved with, and influence, the development of cancer services in your area.

Who can attend?

- Anyone who has been affected by a cancer
- Health or social care professionals working across Surrey and Sussex in Primary, Community and Acute Care and supporting /treating patients with cancer.
 - Anyone working in the charity sector.

This event has been developed in collaboration with Macmillan Cancer Support.

Date: Thursday, 5th December, 2019, 13:30 – 16:00
